GARY LAND COMPANY. By H. S. NORTON. Property Agent.

Ordinance No. 1609. AN ORDINANCE FOR REGULATING THE CAPACITY AND DIMENSIONS OF MOTOR TRUCKS USING THE HIGHWAYS WITHIN CORPORATE LIMITS OF THE CITY OF HAMMOND, INDIANA.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF HAM-MOND. INDIANA:

Section 1 .- That it shall be unlawful for any person, firm or corporation, to operate or to cause or permit of his or its agents or employees, to operate any motor truck on any pavement in the public streets or alleys of the City of Hammond, Indiana, contrary to the provisions of this ordinance, nor unless the same shall comply in all respects. as to equipment, size, weight, width of tires, weight of load, and all other matters herein set forth, with the requirements of this ordinance.

Section 2 .- For the purpose of this ordinance a motor truck shall be defined as a self propelled vehicle commonly used for commercial purposes, carrying its load as a single unit, with non-detachable propelling power, equipped with tires of rubber or some material of equal resiliency.

Section 3 .- All motor trucks operating on the pavements in such streets or alleys shall have tires of rubber or some material of equal restitency and of a width as hereinafter provided. Section 4.-No motor truck shall be

so loaded or operated that the total weight of the portion of the vehicle and load combined resting upon any wheel of same shall exceed eight hundred (800) pounds for each inch of width of tire upon such vehicle, and no such vehicle shall carry a-load of such weight that the maximum gross weight of vehicle and load combined shall exceed twentyeight thousand pounds, nor shall such lead be so carried that the maxixum gross of weight of vehicle and load combined upon any axle of same. PRO-VIDED, that in special cases vehicles whose weight including loads, exceed those herein prescribed may be operated under special permits granted as hereinafter provided.

Section 5 .- No motor truck shall be operated on the streets or alleys of said city when the overall dimensions exceed one hundred and two inches in width or forty feet in length.

Section 6.- It shall be unlawful for any motor truck to tow any other vehicle unless such vehicle is accidentally disabled, and in such case the connection between such motor truck and such vehicle shall not exceed sixteen feet in length, provided, that a special permit for such towing may be granted as hereinafter provided

Section 7 .- The special permit required by Section 4 and 5 of this ordinance for the operation of a motor truck whose size or weight with load exceeds the limits prescribed in this ordinance or for towing as in this ordinance provided, shall be in writing and be issued by the controller of said city. Such permit may be issued for a single trip or for a definite period not beyond the calender year in which the same is is-

SEEING MARION WITH BUSHNELL

The scene from the rear of the Harding home at Marion is strikingly beautiful. The lawn, front and back, is densely shaded, and crimson ramblers in full bloom add a vivid touch to the pervading green of grass, shrubbery and trees. Mrs. Harding is caught in the act of pinning a rose on the lapel of the senator. Father Harding completes the group.

At the top is a sketch of the old house that stands on the spot where the Republican comings are the resulting County. O.

Cleanliness and economy of Studebaker cars have been obtained by designing motors, transmissions and rear axles to eliminate all oil leakage-a feature expereinced motorists will appreciate.

Carburetion has been carefully studied on the Studebaker cars. As a result of exhaustive laboratory and road tests points in the carburetor and the "hotspot" manifold design have been deter mined to insure high efficiency with low grade fuel.

Studebaker motors are designed and built with demountable heads. Their thoroughly perfected combustion chambers result in great power and unusual economy of operation.
